Quality Policy Statement

The Policy of McNealy Brown Limited is to provide a high quality, professional and efficient service to ensure the satisfaction of all the requirements of our clients. This achievement should result in securing efficiency, a strong customer focus and enhancement of long-term sustainability and profitability with the Organisation.

The Directors and Senior Management Team will show leadership and commitment, and bear the responsibility for establishing, implementing and maintaining an effective Quality Management System.

They hereby certify that our QMS conforms to the requirements of the following standards:

- Quality Assurance to BS EN ISO 9001:2015 (incorporating NHSS Sector 20)
- Factory Production Control to BS EN 1090-1:2009+A1:2011
- Welding Certificated to BS EN 1090-2:2008+A1:2011 up to Execution Class 3

We undertake to ensure sufficient resources are made available within the Organisation to achieve this. We undertake to ensure, through communication, engagement, practical example and training that Quality is the aim of all members of the Organisation.

Through direction and support, each employee will have a proper understanding of the importance of the Quality System function, their responsibility to contribute to its effectiveness, and its direct relevance to the success of the Organisation.

Equally, every employee is responsible for, and will be trained to perform the duties required by their specific roles.

The organisation has a Policy of promoting continual improvement and setting of Quality Objectives in line with the framework laid down within the ISO9001:2015 standard. These objectives will arrest the risks and opportunities within the Organisation as determined by the Directors and Senior Management Team.

The QMS will be monitored, measured, evaluated and enhanced regularly under the Directors' ultimate responsibility, with regular reporting and communication of the status and effectiveness at all levels.
